Presidency Message

This excerpt from Elder Bednar's general conference talk is a great reminder of the gift and power we have been given by becoming members of The Church of Jesus Christ of Latter-day Saints:

These four words— “Receive the Holy Ghost”—are not a passive pronouncement; rather, they constitute a priesthood injunction—an authoritative admonition to act and not simply to be acted upon (see 2 Nephi 2:26). The Holy Ghost does not become operative in our lives merely because hands are placed upon our heads and those four important words are spoken. As we receive this ordinance, each of us accepts a sacred and ongoing responsibility to desire, to seek, to work, and to so live that we indeed “receive the Holy Ghost” and its attendant spiritual gifts. “For what doth it profit a man if a gift is bestowed upon him, and he receive not the gift? Behold, he rejoices not in that which is given unto him, neither rejoices in him who is the giver of the gift” (D&C 88:33).

Elder David A. Bednar of the Quorum of the Twelve Apostles (October 2010)

May we all pray for and seek for the constant companionship of the Gift of the Holy Ghost. We love each of you very much. We are happy to serve in any way we can. Please reach out if any need arises.

Love,

The Relief Society Presidency

Missionary Message

“Whatever our age, capacity, church calling, or location, we are as one, called to the work to help Him in His harvest of souls until He comes again.” –

President Henry B. Eyring

President Eyring emphasizes unity in discipleship and reminds us that no matter our role, background, or season of life, we each share the same sacred responsibility—to participate in the Lord's work of gathering souls in preparation for His return.

Temple and Family History

President Russell M. Nelson . . . cautioned: “We can be inspired all day long about temple and family history experiences others have had. But we must do something to actually experience the joy ourselves.” He continued, “I invite you to prayerfully consider what kind of sacrifice—preferably a sacrifice of time—you can make [to] do more temple and family history work.”

As you accept President Nelson’s invitation, you will discover, gather, and connect your family. Additionally, blessings will flow to you and your family. You will find healing for that which needs healing.

Donations for National Day of Service

For our 9/11 National Day of Service, we will be assembling pantry packs for students in Davis County on **Saturday, September 13 at 9:00 A.M.** Our ward has donated the required number of Ziploc bags (thank you, Sisters!), so we just need to work on the packets of Easy Mac. Details are below.

- 2,000 individual packs of Kraft Easy Mac & Cheese. This is the "Easy Mac" kind where you can microwave individual portions. We need the ones in the packets instead of the ones in the cups. We need two packets to fit in the Ziploc bags along with all of the items the other wards are donating.
- These can be hard to find at the grocery store. You may need to purchase them from [Amazon](https://www.amazon.com).

You may bring your donations to church and give them to Shelbie Loomis, or you may take them to her house.

Monetary donations can be made by using the following link:
